ATMOSPHERIC FIRING
We share artists' approaches to firing their work in a non-neutral kiln environment, from salt, soda, wood, and reduction firing to raku, pit, barrel, and saggar firing. The goal? To inspire readers to seek out new firing opportunities with these various techniques.

- Our exclusive annual comprehensive listing of ceramics residencies and fellowships engages those at the beginning of their careers along with established artists who are working on new ideas. Make sure you engage them, too!
