

Be the First to Fire
with **ROHDE Kilns**

NOW AVAILABLE IN THE U.S.

ROHDE kilns are built for artists who demand more.

For more than four decades, ROHDE has been engineering kilns of outstanding quality for hobbyists, studios and professional potters. Trusted worldwide for its quality, ROHDE is now entering the U.S. market.

Join us **at NCECA 2026 in Detroit** to experience the Ecotop Series in person.
