

Stroke & Coat® and Speckled Stroke & Coat® over EG003 Brick Red Engobe
on white stoneware bisque fired to Cone 6 (1222°C/ 2232°F)

Stroke & Coat

On Stoneware

Stroke and Coat® can take the heat of Cone 6 and beyond!

Stroke and Coat® is the industry's most versatile glaze with endless creative possibilities and a wide firing range. With the ability to bring designs to life at cone 6, artists are empowered to craft unique creations on wet clay, greenware, or bisque. Its vibrant colors not only pop on Stoneware Engobes but also beautifully complement other Mayco products, ensuring flexibility in artistic expression. Visit MaycoColors.com to explore the full Stroke & Coat® palette.
