

Workshop from Home with Taylor Mezo

June 9, 2026

Q&A Transcript

What did she say the board is?

It's Hardibacker board.

Jennifer Harnetty

Thanks for this, I have a dentist appt, (I'd rather watch this)!

Thank you for joining.

Kaitlynne Flanigan

You didn't poke a hole before leaving it overnight. You don't get splits in the seams that way?

live answered

Kaitlynne Flanigan

on shapes like the one you did for the demo. do you keep the bottom flat?

live answered

Jennifer Harnetty

Back to beginning, at what cone does Taylor glaze fire, please? Also, what is the slab mat she uses? Thanks!

She bisque fires to con 2 and glaze fires to cone 04. Her tabletop is a hardiebacker board and she said she got a slab mat at NCECA.

Kaitlynne Flanigan

can we see what the squeeze bottle looks like?

live answered

Jennifer Harnetty

What about the pieces that have a background color. When do you that?

live answered

Jennifer Harnetty

This was so helpful! Thank you.

live answered

Jennifer Harnetty

Cedar Creek Gallery in North Carolina has a teapot show every other year. Have you ever submitted a teapot?
