## Richmond, Virginia and Surrounding Region Potters

Features ceramic artists and potters from the Mid-Atlantic region as we prepare for the annual NCECA 2020 conference in Richmond, Virginia.

- Begin the new year showcasing your best products and services to ceramic's largest in-person audience.
- Bonus distribution: NCECA 2020, Richmond, Virginia.

## Handbuilding

The slab roller, extruder, molds, templates, and hand tools open up a world of opportunities for ideas in this growing area of interest for readers.

- This issue focuses on handbuilding techniques for both sculptural and functional projects. Additionally, talented artists and authors will share their ideas on studio set up and resources.

## Throwing

Using the wheel puts a creative spin on making all kinds of work from functional to sculptural —always a reader favorite.

- Professional ceramic artists will offer advice and provide insights on new techniques in wheel throwing and functional ceramics. Studio potters also share their secrets and tips to help readers improve their throwing skills and take their pots to the next level.

## Ceramic Tools

A look at a variety of tools for all stages of making: forming, finishing, and firing.

- Studio potters are always keen to maximize precious studio time by using the right tool for the task at hand. Featured artists share the tools they employ in their own practices while making useful, utilitarian objects.

## Glazing & Surface Decoration

The possibilities of surface decoration and design are endless—one of our hottest topics!

- We’ll explore new and exciting aspects of decorating and some of the unusual techniques perfected by talented ceramic artists. We’ll feature innovative processes, what’s new with commercial glazes, and ideas for ceramic surfaces.

## Functional Tableware

Step-by-step techniques for making and finishing functional forms for everyday use.

- Functional ceramics should be comfortable to use and food safe on top of being visually appealing and well designed. Learn how to manage all the demands of utilitarian wares just in time for holiday gifts and sales.
